

We do not follow a plan or methodology. Instead we flip and start working - then we reflect over what we are doing and over what to do.

the Takt

Not fixed, but a reasonable takt is a couple of times/day.

Navigating the work

A: Take a step back

B: Reflect

C: Which area are we in?

D: Which area do we want to move to?

Navigating what to do

A: Take a step back

B: Reflect

C: What are we doing?

D: What do we need to work on?
